Ok, that was weird! I hit some key with my left hand, and sent the message before I was quite ready! So, to finish up about the garments, I got you three of the boxer brief kind you like best, and three of the boxer kind that is made with the same fabric as your tops, which would dry faster. If you want to try something else, let me know. We also got six tops. So, six pair altogether, the tops are all the crew neck dri lux jersey, size medium. And three bottoms of cotton poly rib brief, 32 regular, and three bottoms of dri lux jersey boxer regular medium.

Love you!
