Hello Dear Phillip,

Facebook Friend Request:
Samara Alves

I'm splitting up the pictures over two emails so that there won't be any problem with size.

424 to 472 were taken on Monday, July 18th. We visited "Old Town" Albuquerque, which is the area where the original city started back around 1602. It was a hot day, probably the same temp as Teresina.

478 is from our visit to the Youngs' home the evening of July 18th. We had an enjoyable visit with them and got caught up on what they have been doing the past almost 5 years. Shawn was on travel to PEI. Joshua's mission papers are almost done.

481 through 508 were taken at the Albuquerque Zoo during our trip on Wednesday, July 20th. Later that evening we all went to see the last Harry Potter movie. Following that we went to the "Sonics" ice cream place for a treat. That is picture 508a.

509 is of the National Nuclear Science museum. I went there by myself on Thursday, July 21st. It was very interesting to me to go through.

513 and 514 are in the Wilsons' dining room the evening of July 21st.

I'll send this email and continue in part 2.

Love,

Dad
