Dear Mom and Dad,

So since you need to plan stuff before it happens if you want it to happen, I had entered into the conversation with Elder Yorgason about the day we'd be going home, and meeting in the Airport, and such. What plans would you like to have happen. I wouldn't mind having some sort of welcome house, but I think it would be best that at the airport Family, and some close friends. I don't know what you guys would like to have happen, but we need to plan it beforehand or have some sort of "Plan".

Also mom, another thing you could send, if you can find a mitsubishi eclipse 2005 hotwheel car that would be pretty cool, but you don't need to if you don't want to.

Love you lots, miss you both a lot too. The mission is very weird how feelings change so rapidly. It is a roller Coaster.

Love,

Elder Phillip Larsen
