

Shalom, (hello)

We're enjoying our stay here so far. I think I'm going to gain 5 or 10 pounds before I get back, as the food is really good and we're eating a lot. The TI people are really nice. Today they were inviting us to join them in some of their activities - today basketball, Monday soccer, Tuesday volleyball, etc. I don't know if we will join them or not, but it seems like a fun place to work. They took us out to lunch again, with TI picking up the tab. I guess that happens a lot too, as there are little coupons you sign and give to the eating establishment. More pictures are in my directory, as I keep ftp-ing the latest set every day. The floppy adapter for the memory cards makes it quick and easy.

We're going to Jerusalem on a free hotel business-members-only trip to Jerusalem on Saturday. Friday we might go to Tel Aviv, but we might come in for a few hours first. Tonight I think Sonal said we would take off early and go to the pool. That surprised me. Glad I brought my suit. You can buy anything here, but it's at least twice the price.
