Dear Elder:

I enjoyed your letter so much and appreciate being 'on-the-list' to receive it. It is a real boost of faith to read how the work is going and how you are getting better at the language. We have a young couple in our Ward and she speaks Portuguese...I think he met her on his mission and went back to marry her! they have two little kids now and she sits by me in Relief Society..and tries to speak English...it must be very hard for her. I love the way the gospel brings us all together!

Robi and I often stand in the prayer circle in the temple on Wednesdays...there are not very many people who come as early as we do...and I love to hear the pleading of the brethren who say the prayer as they ask the Lord to bless the missionaries in every way. We are proud of you and the work you are doing.

Love,
Casey
