Hello, again, Dear Elder Phillip Larsen!

I just read the email from Ian, and Leslie's under that one. She had some nice comments about Conference talks. He only got to see the Priesthood Session, and part of the Saturday afternoon one. I don't know if they saw any on Sunday or not. He is now in Belgium, and they need to speak Flemish, which, he says, is sort of Dutch with an Irish accent. Some different words as well as a different accent. He said the train station smells good (like waffles), and the stairs to their new apartment are not parallel to the floor so going downstairs is always an adventure.

I'll add more emails if I think of anything more. Love you!

Love,
Mom
