I'm guessing you lost power again. I need to leave in about 20 minutes for my dental appointment, so I probably won't be on when you get back :(. However, have a lovely day, and I love you!

What are you doing today for P-day? Do you do laundry, cleaning, etc, first, then go out for the afternoon?

Please let me know what kind of Hymns Sister Silva would like. I will email her to ask, but I don't know how well we can communicate.

Also, I'll just put your new Mission President's name as part of the address to send mail to you, the way you said last week, unless you tell me otherwise.

One more thing, Marcie Estes said they used to have tarantulas in the house a lot when she lived in Texas. It sounded awful! I will look forward to seeing pictures of your adventure with one in your bathroom.

Take care, stay safe, keep the faith, I love you!

Love,
Mom
